A group of five young adults, three men and two women, are standing in a line against a plain grey concrete wall. They are all looking down at their smartphones. From left to right: a man in a blue denim shirt and jeans holding a skateboard; a woman in a grey long-sleeve shirt and jeans with a red cap; a woman in a striped t-shirt and black pants; a man in a green plaid shirt and black pants; a woman in a yellow sleeveless top and jeans; and a woman in a white t-shirt and denim skirt with a plaid shirt tied around her waist. The ground is paved with grey tiles.
